

**B-K Lighting and TEKA Illumination
Featured on March 8th Episode of ABC's
"Extreme Makeover: Home Edition"**

Madera, CA - February 23, 2009 - B-K Lighting and TEKA Illumination are to be featured on ABC's Emmy-winning reality home improvement program, "Extreme Makeover: Home Edition," scheduled to air March 8, 2009 on the ABC Television Network.

Sundays at 8/7c on ABC

The popular television show taped an episode in Fresno, California featuring the Riojas family from January 8 through 15, 2009. B-K Lighting and TEKA Illumination contacted local home builders to take part in this massive project.

"It's so wonderful to be part of a community willing to give so much to a family in need of help by taking on the task of building a home in just seven days," said Douglas W. Hagen, President/CEO of B-K Lighting and TEKA Illumination. "To know B-K Lighting and TEKA Illumination are part of this endeavor is something which gives us great pride."

B-K Lighting offered several fixtures for the renovation including:

- *MiniMicro™ floodlights*
- *Delta Star™ floodlights*
- *LiteStick™ pathlights*
- *Adjustable WellStar™ floodlights*

TEKA Illumination also donated fixtures including:

- *Arcade Louver Series*
- *Beacon Stem Mounts*

B-K Lighting President Doug Hagen supervises installation of outdoor lighting fixtures.

"Extreme Makeover: Home Edition" airs Sundays at 8/7c on the ABC Television Network.

About Extreme Makeover: Home Edition: "Extreme Makeover: Home Edition," which has won back-to-back Emmy Awards as Best Reality Program (non-competitive), is entering its 6th season on ABC. The program is produced by Endemol USA, a division of Endemol Holding. Anthony Dominici is the executive producer; and David Goldberg is the President of Endemol USA.

About B-K Lighting: Since 1984, B-K Lighting has been dedicated to providing the lighting

industry with the highest quality, most innovative and fairly priced outdoor lighting fixtures. B-K Lighting manufactures standard and custom fixtures for outdoor and landscape lighting including path, sign, area, flood, recessed building mounted and in-grade applications. B-K Lighting products are installed in high-end residential and landmark applications around the world.

QUALITY, SERVICE, INNOVATION, and VALUE all add up to make B-K Lighting the number one choice in outdoor lighting.

About TEKA Illumination: Since 1993, TEKA Illumination has been driven to manufacture sustainable luminaires. All TEKA Illumination products are manufactured from copper, brass and bronze, three of the oldest natural and manmade materials. These materials are extremely resistant to environmental corrosion and physical abuse attributing to their sustainability.

Enduring metals. Elemental designs. New technologies. These are the inspirations of TEKA Illumination.

B-K Lighting and TEKA Illumination have a long history of supporting green manufacturing. As members of the USGBC (United States Green Building Council) and IDSA (International Dark Sky Association), they have led their industry in providing earth-friendly designs and manufacturing concepts.
